**SECOND INFORMATION DISCLOSURE STATEMENT**

Sir:

This Information Disclosure Statement includes a copy of form PTO-1449 that identifies one U.S. patent, one German reference and one Danish Utility Model Registration. The German reference and the Danish reference are attached. The relevancy of the Danish reference is described in the first full paragraph on page 2 of the subject application. This reference represents earlier work by the inventor of the subject application. The U.S. patent and the German reference were cited in a corresponding Danish patent application. The U.S. patent relates generally to a fan motor. The German reference also relates to a rotatable member mounted on a shaft. The Examiner is requested to consider these references during the examination and to make the reference of record.

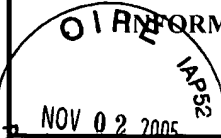

I hereby certify that this correspondence is being deposited with the United States Postal Service as first class mail in an envelope addressed to:
